

Moorlands Nursery School and Children's Centre is a place where.....

- We strive to overcome any barriers to learning.
- We are a team that respect and learn from each other.
- We are reflective practitioners.
- We create opportunities and experiences for children that instil curiosity and eagerness to learn.
- We empower children and families.
- We are excited about future developments.
- We encourage independence, confidence and resilience.
- We support children to realise their potential.
- We work hand in hand with our governing body and advisory board to continually improve our provision.
- We always have high expectations of ourselves and our children.
- We are ambitious for children and families.
- We are open to new ideas and initiatives.
- We are inclusive.
- We often hear the sound of laughter!
- Staff strive to constantly improve their professional development which is reflected in their practice at all times.
- We are all passionate about what we do.
